

Eminem - Public Service Announcement 2000 Lyrics

This is another public service announcement
Brought to you, in part, by Slim Shady
(Tell 'em I don't give a fuck)
Slim shady does not give a fuck, what you think?
(Tell 'em to suck it)

If you don't like it, you can suck his fucking cock
(Tell 'em they kissed my ass)
Little did you know, upon purchasing this album
You have just kissed his ass
(Tell 'em I'm fed up)

Slim Shady is fed up with your shit
And he's going to kill you
(Yeah)
Anything else?
Yeah, sue me
